## Enjoying is food for the soul..

### Quality

The Fishes are exclusively from our own Chiemsee-Fishing or from sustainable pond management from the region!

### Freshness

Every Morning at 5.30 a.m. we start to catch the fresh Fishes from the Lake.

### Tradition

For more than 500 years, our family has been engaged in fishing and has acquired incomparable expertise over the years!

### Sustainability

We only fish for ecologically standards and pay careful attention to the fish stock!
